Re: Update – Harkin ATM Fee Amendment

The cloture vote in the U.S. Senate to limit debate on and amendments to, the Financial Services Reform bill just passed with a 60-40 margin. The Harkin ATM Fee Amendment was **NOT** voted on and is currently **NOT** part of the final Financial Services Reform bill.

While this is indeed a promising development the Harkin amendment could become part of a Mangers amendment.

Senators Reid and Dodd still hope to have a vote on the entire bill this week and it is widely expected to pass.

We will continue to keep you updated on any developments.
